MEMORANDUM FOR THE RECORD

25X1A SUBJECT: Discussions with [redacted], SSA-DD/S on 13 March 1964 regarding OSA Personnel

25X1A

25X1A 1. I met briefly with [redacted] the morning of 13 March to discuss the cases of [redacted] Executive Officer for DD/S&T was present for a part of the meeting.

25X1A

25X1A 2. I agreed to the release of [redacted] from his job as Chief of Support, OSA, to accept a position - probably as Chief of Support in the [redacted] 25X1A  
[redacted] I accepted the nomination of [redacted] 25X1A  
presently on the staff of the DD/S, at a senior GS-14 as [redacted]  
25X1A placement. [redacted] had been nominated to OSA on at least one other occasion.

25X1A

25X1A 3. The assignment of [redacted] D/Tech was concurred in by [redacted] it is hoped that [redacted] will report aboard during the month of April. He will occupy a position under D/Tech not specifically identified as yet, but at the GS-15 level serving as "business manager" to [redacted] 25X1A  
25X1A His title will be "Assistant to the Deputy for Technology". I am asking OSA Personnel to identify the slot which will be used for this purpose. [redacted] will retain his DD/S career designation during this assignment.

25X1A

25X1A 4. I also asked [redacted] to make nominations to OSA for someone, at the GS-14 level, to become the Executive Officer of the [redacted] and the Senior CIA Representative in that group. This also is a job which we must create anew in the unit, and it will not replace the position presently occupied by [redacted] 25X1A  
[redacted] said he would be in touch with me regarding nominees for this position. If DD/S does not have a suitable candidate, an approach will be made to DD/P for nominees.
